

Victoria Rawlinson
Date of Birth: 02/10/83

Tel: 07984 037391

E-mail: victoria@ynglingsailing.co.uk

I have sailed all my life and loved every minute! My sister and I had many successes sailing together in our Youth, including winning Gold and Silver medals at the ISAF Youth World Championships and being voted Young Sailors of the Year. I chose to take some time away from sailing to train to become a Doctor of Medicine. With this challenge now successfully completed, I aim to fulfil my greatest ambition and win a Gold medal for my country at the Olympic Games.
